Control Zone

For added peace of mind, our Control Zone features a sensor that stops the step rotation when triggered by an object or person.

Removable Access Panel

All Matrix ClimbMills feature an access panel that can be quickly removed using a common coin for easy serviceability. An integrated service light provides visibility of internal components.

Ergo Form™ Grips

Our Ergo Form™ grips with integrated pause/stop and resistance controls to enhance comfort and make it easier to make workout changes on the fly.
